Sie müssen den defekten Datenträger zusammen mit einer Kopie der Rechnung auf eigene Kosten an Netree zurückschicken. Diese beschränkte Gewährleistung gilt nicht, wenn der Datenträger durch einen Unfall, Missbrauch oder falsche Verwendung beschädigt wurde. Für Ersatzdatenträger gilt die Restdauer des ursprünglichen Garantiezeitraums. Umweltschäden führen würde (zusammen „Hochriskante Aktivitäten“). Netree schließt hiermit jede ausdrückliche oder konkludente Gewährleistung für die Eignung der Software für hochriskante Aktivitäten aus.

Dieser Vertrag hat Vorrang vor allen anderen Vereinbarungen bezüglich der Software und der Dokumentation. Dieser Vertrag darf nur durch einen schriftlichen Zusatz von Netree geändert werden. Die Bestimmungen dieses Vertrags können nur durch eine schriftliche, unterschriebene Verzichtserklärung von Netree außer Kraft gesetzt werden. Wenn eine Bestimmung dieses Vertrags für ungültig erklärt wird, bleiben die übrigen Bestimmungen weiterhin vollständig wirksam. Die als ungültig erklärte Bestimmung bleibt im größtmöglichen Umfang erhalten, in dem sie juristisch als

mit dem beabsichtigten Zweck und dem Wesen dieses Vertrags übereinstimmend ausgelegt werden kann. Die Parteien erklären sich damit einverstanden, dass dieser Vertrag nur in Englisch und Deutsch verfasst wurde. Aus keiner Bestimmung in diesem Abschnitt 9 lässt sich für Sie die Verpflichtung ableiten, dass Sie vertrauliche oder private Informationen Dritten gegenüber offen legen müssen.

10. Ihre Erklärungen und Zusicherungen. Sie erklären und sichern zu, dass Sie zum Abschließen dieses Vertrags berechtigt sind und dass Sie sich an seine Bestimmungen halten. Außerdem erklären Sie und sichern zu, dass Sie allen Verpflichtungen aus diesem Vertrag nachkommen und alle anwendbaren, die Software betreffenden Gesetze, Vorschriften und Richtlinien einhalten. Sie stimmen zu, dass Sie die volle und unbeschränkte Haftung für jegliche Verwendung übernehmen, die diesem Vertrag widerspricht, und zwar unabhängig davon, ob dies gesetzlich verfügt oder direkt bzw. indirekt von Ihnen verursacht wurde. Sie erklären sich damit einverstanden, Netree von allen Haftungsansprüchen freizustellen und schadlos zu halten, die sich aus Ihrer Verletzung dieses Vertrags oder Nichteinhaltung der anwendbaren Gesetze, Vorschriften und Richtlinien ergeben oder damit in Verbindung stehen.

11. Wartungsvertrag Netree (Gilt nicht für Demo-/Freeware-Produkte der netCIM Software): Ihre Software-Lizenz beinhaltet ein Jahr lang (oder für die auf der Auftragsbestätigung vereinbarte Dauer) Wartung. Nach Ablauf der Wartung (max. 12 Monate) können Sie den Netree Wartungsvertrag zu einem Preis gemäss der jeweils aktuellen Preisliste Ihrer Software-Lizenz erneuern. Nach der Erneuerung haben Sie Anspruch auf kostenlose Software-Updates und -Upgrades (sofern verfügbar), die den Wert Ihrer Software-Investition sicherstellen. Wenn Ihr Netree Wartungsvertrag abläuft, stehen die unter Punkt 4 erläuterten Rechte nicht mehr zur Verfügung. Die Details entnehmen Sie dem Wartungsvertrag, welcher der Rechnung beigelegt wird. Dieser Wartungsvertrag ist integrierender Bestandteil des vorliegenden Vertrages.

Parts of the software licenses under this contract are subject to third party licenses. All rights reserved.

NOTICE TO ALL USERS: PLEASE READ CAREFULLY THROUGH THE FOLLOWING LEGALLY VALID CONTRACT ('AGREEMENT'). THIS AGREEMENT IS A LEGALLY VALID, BINDING AND ENFORCEABLE CONTRACT BETWEEN YOURSELF AND NETREE ('NETREE') REGARDING ANY USE WHATSOEVER OF ALL NETREE SOFTWARE ('SOFTWARE'). BY INSTALLING THE SOFTWARE YOU DECLARE THAT YOU (WHETHER A NATURAL OR LEGAL PERSON) CONSENT TO BE BOUND BY THIS AGREEMENT AND TO BEING A PARTY TO THE CONTRACT WITH NETREE. IF YOU ARE NOT IN AGREEMENT WITH ALL THE PROVISIONS OF THIS AGREEMENT, YOU MUST NOT INSTALL OR USE THE SOFTWARE.

1. Licensing. Provided that you have paid the appropriate licensing fees and comply with the provisions of this Agreement, Netree shall grant you the non-exclusive, non-transferable right of use of one copy of the specified version of the software purchased by you and any accompanying media, printed material, documentation in online or electronic format and Internet-based services (hereinafter generally referred to as 'Software').

2. Use. The use of the products is regulated in this End User Licensing Agreement and in the maintenance contract (only paid versions) and the licensing letter (only paid versions) and you are therefore legally bound by

the contract. Therefore ensure that you also read the documents attached to your invoice. These documents form an integral part of this Agreement.

3. Term. This Agreement shall remain in force until it is dissolved. You can dissolve it at any time by destroying the Software together with all copies. Furthermore, Netree is entitled to dissolve this Agreement, if you breach any provision of this Agreement. You declare that you agree that, if the Agreement is dissolved in such a manner, you shall without delay destroy the software and the documentation, together with all and any copies you have made of them.

4. Updates. Netree shall update the content of the Software at pre-determined intervals. If you have purchased the right to do so, you may download such revised versions, upgrades and updates, as soon as they are made available by Netree on their website or via other online services. You agree that the provisions of the Agreement (or a subsequent version of it) shall also be valid for all updated versions of the Software.

5. Property rights. The Software is protected by international laws of copyright and conventions. Netree and its distributors hold all property rights and rights of use in the Software, including all patents, trade secrets and brand names or other property rights contained therein. Your possession, installation or use of the Software shall not transfer to you any property rights whatsoever in the Software and you shall obtain only the rights, which are expressly specified in this Agreement. All copies of the Software made in connection with this Agreement must be provided with the same notices as to ownership, as are included on and in the Software.

6. Restrictions. You may not pass on, rent out, lease out or sell on the Software and you may not transfer to third parties any rights granted under this Agreement. You are not entitled to reverse engineer, decompile, hack, translate or dis-assemble the Software (unless this limitation is expressly forbidden by applicable law). You may not modify the Software either in whole or in part, nor may you generate derivatives from it. You are entitled to copy the Software exclusively for the purposes specified in Section 1. You may not remove any proprietary notices from the Software. In addition you must ensure that none of the actions specified in this Section 6 are carried out by third parties. Netree reserves all rights, including those not expressly specified herein.

This restricted warranty shall not apply, if the data storage device has been damaged through accident, misuse or incorrect use. The remainder of the warranty term shall apply to the replacement data storage device. This claim shall not apply up to the extent, to which Netree is subject to the restrictions of export control laws and regulations.

THIS LIMITATION OF LIABILITY SHALL NOT EXTEND TO LIABILITY FOR DEATH OR PERSONAL INJURY TO THE EXTENT THAT THE APPLICABLE LAW PROHIBITS SUCH LIMITATIONS. The foregoing provisions shall apply to the maximum extent permitted by the applicable law.

8. High-risk Activities. The Software is not fault tolerant and has not been developed or designed for use in hazardous environments, in which failure-free operation is required, as for instance in nuclear technical installations, aircraft navigation or communication systems, in flight safety, in weapons systems, direct life-support machines or other applications, in which a software failure would lead to death, personal injury or serious damage to property or to the environment (collectively 'High-risk Activities'). Netree hereby excludes any express or implied warranty for the eligibility of the Software for High-risk Activities.

This contract has priority over all other agreements with respect to the Software and the documentation. This contract may be amended only by a written addition by Netree. The provisions of this contract may be abrogated only by a written, signed statement of waiver by Netree. In the event that any provision of this contract is declared to be void, the remaining provisions shall be deemed to remain effective. The parties declare that they are in agreement that this contract shall be published solely in English and German. 10. Your declarations and covenants. You declare and affirm that you are entitled to conclude this contract and that you shall comply with its provisions. Furthermore you declare and affirm that you shall comply with all obligations arising from this contract and with all applicable laws, provisions and directives concerning the Software. You agree that you accept full and unlimited liability for any use whatsoever, which is contrary to this contract and irrespective of whether this is prescribed by law or directly or indirectly caused by you. You declare that you agree to discharge Netree and to hold Netree harmless from all claims for liability, which result from your breach of this contract or your failure to observe the applicable laws, provisions and directives or which arise in conjunction with the said breach or failure.

On expiry of the maintenance agreement (max. 12 months) you are entitled to renew the Netree Maintenance Agreement at a cost defined on the current list price of your software licence. On renewing the agreement you shall be able to claim cost-free software updates and upgrades (if available), which will safeguard the value of your investment in the software. WiX Toolset License - Ms-RL License

The WiX toolset is released under the Microsoft Reciprocal License (MS-RL). A reciprocal license is used to ensure that others who build on the effort of the WiX community give back to the WiX community. Specifically the license changes and improvements to the WiX toolset must be published using the same license.

Sometimes the reciprocal license is incorrectly interpreted to also apply to bundles, packages, custom actions built using the WiX toolset. The Outercurve Foundation has provided this statement to clarify:

The WiX toolset (WiX) is licensed under the Microsoft Reciprocal License (MS-RL). The MS-RL governs the distribution of the software licensed under it, as well as derivative works, and incorporates the definition of a derivative work provided in U.S. copyright law. OuterCurve Foundation does not view the installer packages generated by WiX as falling within the definition of a derivative work, merely because they are produced using WiX. Thus, the installer packages generated by WiX will normally fall outside the scope of the MS-RL, and any of your source code, binaries, libraries, routines or other software components that are incorporated in installer packages generated by WiX can be governed by other licensing terms.

Microsoft Reciprocal License (MS-RL)

This license governs use of the accompanying software. If you use the software, you accept this license. If you do not accept the license, do not use the software.

1. Definitions

The terms "reproduce," "reproduction," "derivative works," and "distribution" have the same meaning here as under U.S. copyright law.

A "contribution" is the original software, or any additions or changes to the software.

A "contributor" is any person that distributes its contribution under this license.

"Licensed patents" are a contributor's patent claims that read directly on its contribution.

2. Grant of Rights

(A) Copyright Grant- Subject to the terms of this license, including the license conditions and limitations in section 3, each contributor grants you a non-exclusive, worldwide, royalty-free copyright license to reproduce its contribution, prepare derivative works of its contribution, and distribute its contribution or any derivative works that you create.

(B) Patent Grant- Subject to the terms of this license, including the license conditions and limitations in section 3, each contributor grants you a non-exclusive, worldwide, royalty-free license under its licensed patents to make, have made, use, sell, offer for sale, import, and/or otherwise dispose of its contribution in the software or derivative works of the contribution in the software.

3. Conditions and Limitations

(A) Reciprocal Grants- For any file you distribute that contains code from the software (in source code or binary format), you must provide recipients the source code to that file along with a copy of this license, which license will govern that file. You may license other files that are entirely your own work and do not contain code from the software under any terms you choose.

(B) No Trademark License- This license does not grant you rights to use any contributors' name, logo, or trademarks.

1. Definitions.

"License" shall mean the terms and conditions for use, reproduction, and distribution as defined by Sections 1 through 9 of this document.

"Licensor" shall mean the copyright owner or entity authorized by the copyright owner that is granting the License.

"Legal Entity" shall mean the union of the acting entity and all other entities that control, are controlled by, or are under common control with that entity. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"You" (or "Your") shall mean an individual or Legal Entity exercising permissions granted by this License.

"Source" form shall mean the preferred form for making modifications, including but not limited to software source code, documentation source, and configuration files.

"Object" form shall mean any form resulting from mechanical transformation or translation of a Source form, including but not limited to compiled object code, generated documentation, and conversions to other media types.

"Work" shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in or attached to the work (an example is provided in the Appendix below).

"Derivative Works" shall mean any work, whether in Source or Object form, that is based on (or derived from) the Work and for which the editorial revisions, annotations, elaborations, or other modifications represent, as a whole, an original work of authorship. For the purposes of this License, Derivative Works shall not include works that remain separable from, or merely link (or bind by name) to the interfaces of, the Work and Derivative Works thereof.

"Contribution" shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an individual or Legal Entity authorized to submit on behalf of the copyright owner. For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the Licensor or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Licensor for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by the copyright owner as "Not a Contribution."

"Contributor" shall mean Licensor and any individual or Legal Entity on behalf of whom a Contribution has been received by Licensor and subsequently incorporated within the Work.

2. Grant of Copyright License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare Derivative Works of, publicly display, publicly perform, sublicense, and distribute the Work and such Derivative Works in Source or Object form.

3. Grant of Patent License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by such Contributor that are necessarily infringed by their Contribution(s) alone or by combination of their Contribution(s) with the Work to which such Contribution(s) was submitted. If You institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Work or a Contribution incorporated within the Work constitutes direct or contributory patent infringement, then any patent licenses granted to You under this License for that Work shall terminate as of the date such litigation is filed.

4. Redistribution. You may reproduce and distribute copies of the Work or Derivative Works thereof in any medium, with or without modifications, and in Source or Object form, provided that You meet the following conditions:

- a. You must give any other recipients of the Work or Derivative Works a copy of this License; and
- b. You must cause any modified files to carry prominent notices stating that You changed the files; and
- c. You must retain, in the Source form of any Derivative Works that You distribute, all copyright, patent, trademark, and attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part of the Derivative Works; and
- d. If the Work includes a "NOTICE" text file as part of its distribution, then any Derivative Works that You distribute must include a readable copy of the attribution notices contained within such NOTICE file, excluding those notices that do not pertain to any part of the Derivative Works, in at least one of the following places: within a NOTICE text file distributed as part of the Derivative Works; within the Source form or documentation, if provided along with the Derivative Works; or, within a display generated by the Derivative Works, if and wherever such third-party notices normally appear. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided that such additional attribution notices cannot be construed as modifying the License.

You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.

5. Submission of Contributions. Unless You explicitly state otherwise, any Contribution intentionally submitted for inclusion in the Work by You to the Licensor shall be under the terms and conditions of this License, without any additional terms or conditions. Notwithstanding the above, nothing herein shall supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.

6. Trademarks. This License does not grant permission to use the trade names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the content of the NOTICE file.

7. Disclaimer of Warranty. Unless required by applicable law or agreed to in writing, Licensor provides the Work (and each Contributor provides its Contributions) on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are solely responsible for determining the appropriateness of using or redistributing the Work and assume any risks associated with Your exercise of permissions under this License.

8. Limitation of Liability. In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or agreed to in writing, shall any Contributor be liable to You for damages, including any direct, indirect, special, incidental, or consequential damages of any character arising as a result of this License or out of the use or inability to use the Work (including but not limited to damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses), even if such Contributor has been advised of the possibility of such damages.

9. Accepting Warranty or Additional Liability. While redistributing the Work or Derivative Works thereof, You may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity, or other liability obligations and/or rights consistent with this License. However, in accepting such obligations, You may act only on Your own

behalf and on Your sole responsibility, not on behalf of any other Contributor, and only if You agree to indemnify, defend, and hold each Contributor harmless for any liability incurred by, or claims asserted against, such Contributor by reason of your accepting any such warranty or additional liability.
